Letter of Intent

This letter of intent (LOI) serves to provide a formal notice to the Mississippi Charter School Authorizer Board regarding *Greater Refuge Preparatory Academy's* intention to submit a proposal for opening a PreK-8 charter school in the 2014-2015 school year.

The information presented in the Letter of Intent is non-binding.

Name of Proposed School	Greater Refuge Preparatory Academy
Grade Configuration	Pre K – 8 th
Model or Focus	Science, Technology, Engineering, and Mathematics + Economics (STEM + E)
Primary Contact Person	Elder Walter Veals
Phone	901-201-0475
Email	Grt4115@aol.com
District	Canton
Proposed Leader (if known)	We are actively recruiting for this position
Replication?	No
Contract with ESP?	No

President
Elder Walter L. Veals

Board of Directors
Vice President
William Beaty

Secretary
Jeffrey Luckett

Treasury
Percy Cain

Correspondence Secretary
Jeff Ross

Alisha L. Jordan
Ruby Baker
Shirley McCauley

K	40	40	40	40	40
1 st	40	40	40	40	40
2 nd	40	40	40	40	40
3 rd		40	40	40	40
4 th			40	40	40
5 th				40	40
6 th					40
Total # of students	160	200	240	280	320

Day Care Hours: M-F 6am to 6pm
After-School Hours: M-F 2:30pm to 6pm
Closed on National Holidays
Equal Opportunity Provider/Employer

Mission of School:

Greater Refuge Preparatory Academy will grow students’ proficiency levels in science, math, engineering, technology, and economics and demonstrate how these skills are used every day in every subject, every class, and every career. GRPA’s comprehensive STEM + E education includes a strong emphasis on hands-on, experiential and inquiry-based student experiences and activities.

Provide a brief overview of the education program of the school:

Greater Refuge Preparatory Academy’s Grade1 – 5 students will participate in *Project Lead the Way (PLTW)*, a nationally recognized program that emphasizes critical thinking, creativity, innovation and real-world problem solving through a STEM-based curriculum. *Gateway To Technology (GTT)* (grades six through eight) units explore aerospace, energy, the environment, modeling, robotics, technology and other STEM-related topics. The activities-oriented curriculum challenges and engages the natural curiosity of students while sparking an interest in STEM subjects and preparing students for further study in high school. Grade 8 Gifted and Talented Students will be exposed to components of *Pathway To Engineering (PTE)*, typically designed for students in grades nine through twelve. PTE explores the design process and links STEM principles to relevant problem-solving activities. Courses complement traditional mathematics and science courses and prepare students to pursue a post-secondary education and careers in STEM-related fields. The 420-minute minimum instructional day will include an academic program that provides a challenging curriculum and individual attention to student learning modalities and abilities. The school will also implement a 6:00 a.m. to 7:30 a.m. “before-school care” program as well as a 4:30 p.m. to 6:30 p.m. “after-school care” and “tutorial” program.

Complete the following table to list Board members for the school at this time. Add rows as is necessary.

Name	Current Professional Title and Organization	Board Role	Focus/Expertise
Elder Walter Veals	President, Greater Refuge Temple, Inc.	Chairman	Business Administration
Jeff Ross	Vice President, Regions Bank	Secretary	Finance
Percy Cain	Retired Superintendent, Madison County	Treasurer	Education
Neal Rich	Engineer, Asset Company	Board Member	Engineering
Bill Beaty	Architect, Faia Architect	Board Member	Construction
