**Mission of School:** To create a respected and influential public school that is successful in helping students from educationally underserved communities develop the knowledge, skills, character and habits needed to succeed in college and the competitive world.

**Provide a brief overview of the education program of the school:**

The curricular and instructional programs will fit the students that the academy will serve and will work to support the academy in its achievement of educational goals. Premiere's curricular program will focus on ensuring student mastery of key concepts through individualized instruction, students will be challenged to grow academically. Specifically, by understanding what students are expected to learn and do at each grade level, teachers will be able to ensure student mastery of core concepts. Ongoing assessment of student progress will help Premiere to track student learning over time, thus helping ensure it will be able to meet its educational goals. Parents and students choosing Premiere for its high-quality educational program, marked by student responsibility and parent involvement, will also be attracted to the academy for its on going use of data as it relates to promoting student achievement.
