Proposed School Description	
------------------------------------	--

<p>Provide the mission statement of the proposed school.</p>	<p>The mission of GCLC Charter School is to educate students in grades pre-K through fifth grade to build the academic and character foundation necessary for success in the most demanding colleges and a life of active citizenship. All children, regardless of their backgrounds, deserve to receive a high-quality public education that prepares them to enter and graduate from the most competitive colleges. We recognize that demographics need not be the determinant of one’s destiny, and we know that a college education is the key variable in breaking the chains of poverty. To enable all our students to graduate from a competitive four-year college, GCLC Charter will maintains a dual focus on solid academic instructional combined with mastery of personal discipline and character. We offer an academically rigorous program with dramatically more instructional time, allowing in the initial grades research curriculum.</p> <p>Our vision is to work closely with schools and communities to create great schools in every neighborhood that will prepare students for the 21st century and beyond. GCLC Charter will ensure success for all students, beginning with their entrance into our school. Upon entrance, GCLC Charter will provide our families and students with a nurturing environment that fosters success for all.</p>

	GCLC Charter will work leadership team that will assist the charter school staff in implementing the GCLC Charter design.
In 100 words or less, briefly describe the instructional focus of the proposed school.	The instructional focus of the proposed GCLC Charter School will align with state and national learning standards and address the values within the charter mission statement. This will be accomplished through theory, scholarly research, and best practices that: (1) strikes a balance between teacher-directed instruction and student-centered learning; (2) encourages cooperative learning, where students learn together but are responsible for demonstrating individual knowledge; (3) provides opportunity for students to engage in experiential project-based learning that encompasses critical thinking, academic and technical skills and (4) incorporates effectively various forms of technology and visual performing arts within the instructional process.

Certification

We understand that upon receipt of this letter and accompanying documentation, the MCSAB will evaluate our organization and applicant team against the legal eligibility requirements to determine whether we are eligible to hold a charter in the state of Mississippi.

We further understand that in order to be considered in this RFP cycle, we must submit a complete proposal by 3pm CST on May 8, 2018.

I certify that I have the authority to submit this LOI and that all information contained herein is complete and accurate, realizing that any misrepresentation could result in disqualification from the application process.
