

Mississippi Charter School Authorizer Board Executive

Posting Date: July 11, 2018
Position Title: Executive
Director Reports to: Authorizer Board

The Mississippi Charter School Authorizer Board (MCSAB) is an independent, state agency with exclusive chartering jurisdiction in the State of Mississippi. The mission of the MCSAB is to increase access to excellent public schools by authorizing high-quality charter schools, particularly schools designed to expand opportunities for underserved students.

It is the responsibility of the Authorizer Board to appoint an individual to serve as the Executive Director of the board. This job description is designed to reflect the qualities of a highly effective, experienced leader who will excel in carrying out the duties and directives of the Authorizer Board.

To that end, the Mississippi Charter School Authorizer Board is seeking an individual who possesses a passion for and experience in K-12 public education to serve as Executive Director. The Executive Director is appointed by, reports to, and serves at the will and pleasure of the Authorizer Board. The Executive Director will work with Authorizer Board members to implement Mississippi's charter school law, identify state and local education trends and policy priorities, and make recommendations based on research and best practices for improving the education of students in Mississippi. The Executive Director is accountable to the Authorizer Board for carrying out its mission, achieving its goals as outlined in the strategic plan, and maintaining the Authorizer Board as a quality authorizer.

DUTIES:

The Executive Director is responsible for the overall planning, deployment, monitoring, improvement, and supervision of the Authorizer Board's operations, including, but not limited to:

- Providing research and policy analysis on issues and preparing drafts of needed documents for consideration by the Authorizer Board, which will often include identifying relevant connections between various initiatives and an understanding of research and best practices of schooling and charter school authorizing best practices
- Developing and implementing the organizational structure required to operate the office and carry out the activities of the Authorizer Board, including supervising Deputy Director and other Authorizer Board staff members
- Providing support in the process for authorizing new charter schools
- Monitoring and holding accountable authorized and operating schools (including renewals, revocations, and non-renewals)
- Serving as a key liaison to develop and foster positive working relationships with partners in the state and nationally pertaining to the strategic mission and vision of the Authorizer Board
- Publishing an annual report on the state's charter schools and providing this annual report to the State Board of Education, the Governor's Office, the legislature, and the public
- Ensuring work and decisions align with national best practices of maintaining high standards for charter schools, upholding school autonomy, and protecting student and public interests
- Representing the Authorizer Board at conferences and functions, legislative presentations, community presentations, and to news media and public forums
- Providing ongoing budget oversight and management, including the oversight and management of awarded grants
- Planning and providing press information and public awareness materials
